

Hudson Mohawk Chapter RSES presents

Compressor Teardown & Rebuild

"a get dirty hands on seminar"

(This is a space limited seminar so do not delay in registering)

This is your chance to really learn about the inner workings of reciprocating semi-hermetic compressors. You will learn why the compressors fail, how to diagnose a failure, how to determine the causes of the failure and how to clean up after the failure. Working in teams you will then spend the afternoon tearing down, analyzing the failures and trying to put the compressors back together properly.

You will need to wear your work clothes, bring your tools and you will want to be ready to get dirty and to learn. NATE Certified technicians and BPI Certified Professionals can earn **8.0 Continuing Education Hours** for this seminar.

Instructors: Our own Ray Hickey, CM; Dan Black, CM; and William J. Parlapiano Jr. CM, CIAQ will be the instructors for this hands on seminar.

Date/Time: Saturday, April 26, 2008 ▶ 8:30 AM - 4:30 PM includes buffet lunch, sign in starts at 8:00 AM

Location: Meier Supply, Albany Branch ▶ 20 Kairnes St., Albany, New York 12205

Registration: ▶ Just \$129.00 for non RSES members. ▶ \$99.00 for RSES members. Sign up as a new RSES member when registering for a \$30.00 instant savings that's about 1/3 of annual membership.

▶ Cash, Check, Credit Card Accepted. See registration form below. Seminar is open to anyone not just RSES Members. **Please register by April 15th by phone, fax, mail, email or online. Do not delay in registering as we only have compressor stations for a limited number of participants.**
